- Advance MS-excel skills

HOBBIES

Coding
Drawing
3D Modelling and Animation

PROFESSIONAL SUMMARY

Dedicated and enthusiastic student with a deep love of programming languages and a never-ending fascination for the complexities of coding. I am dedicated to continuous learning and progress in the quest of excellence in software development and am eager to offer my developing talents to the dynamic world of technology.

EDUCATION

HIGH SCHOOL DIPLOMA: MANAGEMENT

Nov 2020

National College of Computer Science(NCCS)

Paknajol, Kathmandu

CGPA 3.20

BIM - BACHELORS IN INFORMATION AND MANAGEMENT

Prime College

Khusibu, Kathmandu

I'm currently studying in 6th semester

EXPERIENCE

Teacher Intern

Jul 2023 - Aug 2023

Position : Workshop teacher

Audience: 3rd semester CSIT students

Time Period: 1 Month

Subject : Front End Development

I worked as a Frontend Development workshop teacher in Prime College. I developed a structured curriculum that balanced theoretical knowledge with hands-on coding exercises to facilitate effective learning from basics to intermediate. We did various types of projects such as : Sign up Page, Login Page, Personal Portfolio Website, Pomodoro Timer, Todo-list, Personal Product Website.
